

# How to take part

## The training activities of the Pestalozzi Programme are open to all education professionals in Europe\*

The specific target group as well as the working language for each training course are indicated in the description of the activity. You can apply for the training course of your choice provided you have the required professional profile and the necessary language skills. You must be able to sustain a professional discussion and debate in the working language of the course ([minimum B2, CoE levels](#)).

Please use the online application system (one application by activity) and be as brief and concise as possible while giving all the necessary information (in English or French only).

1. [Online application procedure](#) (to help you before, during and after the procedure of registration)
2. [Online application system \(only one form by activity in English or in French\)](#)

Travel and subsistence costs are covered by the Council of Europe and the organisers of the training. If you experience any problems please contact [the Secretariat](#)
